

HEALTH & SAFETY POLICY STATEMENT

IN ACCORDANCE WITH THE HEALTH & SAFETY AT WORK ACT 1974

BECT Building Contractors Limited (The Company) recognises its responsibilities under The Health & Safety at Work Act 1974 and all other relevant legislation for ensuring the health, safety and welfare of its employees and others who may be affected by the company's activities.

BECT Building Contractors Limited will ensure, so far as is reasonably practicable, that the health & safety of other contractors employees, occupiers of premises and members of the public is not adversely affected by its operations.

The company will, so far as is reasonably practicable, ensure that:

- Safe systems of work are developed to prevent accidents, injuries and ill health
- All plant, machinery and equipment is safe to use, properly maintained and regularly examined by competent persons;
- All work places are maintained in a safe and healthy condition without risk to the health, safety and welfare of employees;
- All materials and substances are used, handled, stored and transported in a safe manner without risk to health;
- Employees are adequately instructed, trained and supervised to enable them to carry out their work tasks safely;
- Employees are consulted on Health & Safety matters;
- Work places are regularly inspected to achieve the Company's objectives for health, safety and welfare;
- Adequate resources are made available to achieve the aim of this policy;
- Employees safety awareness is developed to encourage them to cooperate in the prevention of accidents and work related disease;
- This policy is reviewed regularly and updated as necessary.
